ORDER

**THIS MATTER** is before the Court on defendant's counseled Motion for Early Termination of Supervised Release. Defendant's Supervising Officer, USPO Valerie Debnam, has advised counsel that Miller has been on low intensity supervision and has not posed any problems whatsoever. The Court also notes that the motion reflects that the government does not oppose early termination. Having considered defendant's motion and reviewed the pleadings, the Court enters the following Order.

**ORDER**

**IT IS, THEREFORE, ORDERED** that defendant's Motion for Early Termination of Supervised Release (#275) is **GRANTED**, and supervision is terminated early as successfully completed.
